

Winner of **MANAGER** of the Year Elementum Advisors

Elementum's investment performance in 2017 was impressive. 14 of its 16 investment mandates delivered positive annual returns, with each outpacing the Eureka hedge ILS Advisers Index return of -5.60%. All of their catastrophe bond mandates outperformed the Swiss Re Total Return Cat Bond Index return of 0.54%. Elementum is a lead member

of the Open Protocol working group, an initiative that seeks to develop a standardised ILS reporting framework. It fortified its position with investors and counterparties by growing AUM from US\$2.7bn to US\$3.2bn during 2017, and to a further \$3.7B as of March 2018; as well as advancing with its primary insurance initiative.

Nick Jagoda, Paul Barker and Chris Cebula of Elementum Advisors accept the coveted Manager of the Year award from HSBC's Aimee Flynn.

Entry criteria: Candidates will be institutions, individuals or investment teams that have made an outstanding contribution to the development of the ILS investor community in the previous year. The winner will have demonstrated a continued, deep commitment to the ILS sector alongside strong financial results, success in attracting new investors to the sector and an innovative or pioneering approach in sourcing risk.
